World Trade Center Plus Saturday July 10, 2010 \$69.00 per person

Come join us at the Tribute World Trade Center Visitors Center which offers a person to person history for those who want to understand and appreciate the historic events of 9/11 with those who experienced them. Everyone will get individual headset devices to listen to pre-recorded stories of rescue/recovery, volunteering, loss, evacuation and survival from people who had first hand experiences with 9/11. The five galleries are filled with models, murals, timelines, photos and symbolic objects. Following the tour we will take a short ride to South Street Seaport where you can get lunch and do some shopping on your own. We will then meet up with a guide who will bring us for a driving and walking tour which includes, City Hall, Wall Street, Battery Park with the memorial to 9/11 and Bowling Green with the Iron Fence.
